

2020-2021 Fees & Tuition Rates

REGISTRATION FEES

\$25 – if registered and paid by April 1, 2020

\$50 – if registered and paid by June 1, 2020

\$75 – if registered and paid after June 1, 2020

Registration fees help with startup costs that come with transitioning from one school year to another as paperwork is filed for new students. Additionally, decorations, name tags, and hooks are prepared for each student among many other duties for readying the classrooms in August. Due to the necessity of these funds to help with preparation for a new school year, your child's enrollment is not confirmed until the registration fee is paid. Please note these fees are non-refundable.

TUITION PAYMENTS

Tuition for the 2020-2021 school year is **\$130/month per student**.

Tuition payments are due on the first of each month, beginning in September and continuing through May (9 payments total).
